Dear Pastor and Church Family,

What a busy couple of months! The highlight was my trip to Uganda. It was to celebrate the 25th anniversary of our first church plant. The three day conference was filled with many activities. Pastor Jaluge wanted to get a few things accomplished during my visit!

There was of course great preaching by several missionaries and national pastors we have known, respected and been a real blessing throughout the ministry in Tororo. We fit into the conference a graduation ceremony, an ordination council and ordination, two weddings and two unexpected funerals! What a blessing that many of the 18 churches started out of Tororo were present. Saturday morning Pastor Jaluge baptized 32!

Karen had a special Ladies Meeting last Saturday just after my return from Uganda. It was a huge success. The ladies enjoyed a really nice catered meal. To our ladies surprise, they were also served and waited on by several teens and men from our church including pastor. Now I can write on my resume "waiter". It was after all their special day! Of course the main part of the meeting was my precious wife, truly in her element, challenging our ladies to live a successful and victorious life in Christ.

Our offer for land was motivated to the final municipal committee to decide. Oh, the bureaucracy involved! Not to mention the whole department moved into a different building and a strike currently shutting down much of the municipal services. Absolutely nothing runs smooth in SA anymore! I know of two churches struggling in different municipalities. Their building plans have taken one to two years for approval. One of our church members decided to put in a swimming pool. Still waiting over a year for approval.

Fortunately it is in the Lords hands and not mine! Our responsibility is just to be faithful. Father's timing is always best!!

Yours In Missions,
